

NEW HAMPSHIRE CHARITABLE FOUNDATION

THE MEDALLION FUND

The Program

The Medallion Fund was created by a group of area businessmen who recognize that a skilled workforce is critical for expanding economic development. The goal of the Fund is to assist individuals who are interested attending accredited vocational or technical programs for the purpose of improving their workforce skills, especially in areas of need in the State of New Hampshire.

Founding businesses include All Metals Industries, Inc.; Goffstown Rotary Club; New Hampshire Automobile Dealers Association; Northeastern Sheetmetal, Inc.; Ocean National Bank; St. Mary's Credit Union as well as many individuals.

Who Should Apply

The Medallion Fund provides scholarships to individuals of any age who are enrolling in any accredited vocational or technical program that does NOT lead to a four-year baccalaureate or advanced degree.

For example, a candidate might be planning to attend a community college, vocational school, trade school, apprenticeship or other short-term training program such as automotive technology, tractor trailer school, HVAC certification, nursing assistant certification, etc.

Because Medallion Fund resources are limited, the Committee does give preference in funding to the following:

- Applicants whose fields are in the traditional manufacturing trade sector such as plumbing, electrical, construction, machining, etc.
- Applicants who have a clear vision for how their education will help them achieve or improve their employment goals
- Applicants who have had little or no other educational or training opportunities
- Applicants who have made a commitment to their educational program both financially and otherwise

Qualifications

The Medallion Fund is interested in supporting individuals who have the drive to set and complete

their training goals. We expect applicants to demonstrate competency and a commitment to their chosen field of study.

An applicant must:

- be a legal resident of New Hampshire
- have a keen desire to work in a vocational/technical career

Special Eligibility

Many funds that make up the Medallion Fund Program have special areas of interest. Please read the enclosed list carefully, and check any special eligibility codes, which fit your circumstances. You may check more than one. If you do not qualify for any restricted funds, you may still be eligible for awards from unrestricted funds.

When To Apply

There is no deadline for application to the Medallion Fund. Applications are accepted at any time during the year. The Medallion Fund usually meets monthly to consider awards.

Where To Send The Application

Please mail or deliver your application to:

The MEDALLION FUND
New Hampshire Charitable Foundation
37 Pleasant Street
Concord, NH 03301-4005
