

Jennifer Gornert – New Hampshire Title Bureau Administrator

Jennifer Gornert is an experienced motor vehicle professional with over 15 years at the Division of Motor Vehicles, specializing in vehicle registration and titling operations. Throughout her tenure, she has held a range of complementary roles that have provided her with a comprehensive understanding of title processing, regulatory compliance, and customer service within the industry.

In her current role as Title Bureau Administrator, Jennifer oversees key aspects of titling operations, ensuring accuracy, efficiency, and adherence to State requirements. She also serves as Project Analyst on the e-Title initiative, where she contributes to the modernization of title systems by supporting implementation efforts, streamlining processes, and enhancing digital service delivery.
