

**Jennifer O'Leary – New Hampshire Title Bureau Administrator**

Jennifer is a dedicated government professional with 23 years of experience at the Department of Safety, much of that time spent at the DMV. Over the course of her career, she has been deeply involved in numerous system implementation projects, helping to modernize operations and enhance service delivery. Jennifer is particularly focused on process improvement, identifying opportunities to streamline workflows and increase efficiency across the DMV. She currently serves as the Project Manager for the e-Title initiative, leading critical advancements in digital services, and also holds the role of Administrator of the Bureau of Registration, where she continues to apply her expertise in operations, technology, and team leadership to drive positive change.
