

Cuts Costs, Boost Efficiency: Smart Solutions for Dealership Savings

Presented By:

Laura Sherman, Dealer Merchant Services Powered by Priority, NHADA Diamond Partner

Ben Slayden, Carmyn, NHADA Diamond Partner

Session Description:

In today's competitive environment, finding new ways to reduce expenses and operate more efficiently is critical for every dealership. In this fast-paced breakout session, two of our cost-saving partners will share practical strategies and tools designed to help dealerships keep more money in their pockets while improving operations.

Attendees will hear from Dealer Merchant Services and Carmyn as they highlight solutions that deliver measurable financial impact. Learn how Dealer Merchant Services' proprietary platform can help dealerships reduce credit card processing fees by up to 75% without disrupting the customer experience or CSI. Discover how Carmyn's innovative approach to fuel management can save your team valuable time by streamlining the refueling process.

If you're looking for practical ways to cut unnecessary costs, improve efficiency, and unlock new savings opportunities, this session will provide actionable insights you can take back to your dealership immediately.

Who Should Attend:

Dealer principals, general managers, controllers, service managers, and anyone responsible for dealership operations, expenses, or profitability.
